

## What You Need For The Hospital [√]

Barbara Dehn  
www.barbdehn.com

### For You:

- Comfortable and loose clothes to go home in
- 2 nursing or regular bras
- 2 to 3 pairs of underwear
- Socks, slippers
- Toiletries and headband or hair ties
- Glasses or contacts

### For the Baby:

- Pack an extra outfit in case they spit up
  - In general, babies need an extra layer to stay warm.
  - If you are comfortable wearing one layer, they will need 2 layers.
- Car seat
- 2 onsies
- 1 pair of pajamas
- 1 sweater or bunting
- 1 blanket and hat

### For Your Partner:

- Camera, video camera, extra batteries
- Cell Phone
- Clothes
- Toiletries
- Snacks
